

Work Experience

TOP TIPS

- Organise a placement sooner rather than later
- Do something you are interested in
- Don't be afraid to put yourself out there
- Apply to a few companies to ensure you get a placement
- Have a backup plan in case your placement cancels
- Try your hardest and learn as much as you can
- Aim high! Don't take the easy option! Challenge yourself
- Dress appropriately
- Don't get stressed out! Enjoy the experience!
- Ensure you can get to your placement safely and easily
- Be confident
- Ask lots of questions
