

ROBERT MAY'S SCHOOL

UNIFORM AND RELATED MATTERS

We hope parents will support us in ensuring that students are correctly dressed in our uniform and follow our rules about jewellery. We also believe that make-up or extreme hairstyles are inappropriate for school, and, if necessary, we will contact parents and send students home if these rules are not followed. Students may be isolated in school if their hair or clothing is too extreme. Our supplier is the School PTA. Please order via their website www.rmspta.co.uk. If parents have any difficulty purchasing items of uniform, please inform the Head of Year so that the problem can be overcome. Please do not purchase items which do not comply with the list shown as this will bring conflict between students and staff as the item may not be worn in school.
