

CAREERS FAIR

We are holding our annual Careers Fair on **Thursday 23rd September** between 4.30 - 6.45pm. As you are aware, our work in school involves preparing our students for their progression in education and employment. There are choices to be made and in order to ensure that our students receive the best possible advice and guidance, we have a planned programme that helps them through the whole process.

Suggested timings to allow a steady flow of attendees is:

- 4.30 – 5.30pm Year 11 Students and Parents/Carers
- 5.30 – 6.45pm Year 10 Students and Parents/Carers

This Careers Fair allows students and parents to begin to see the choices available. It is an informal event (no appointment is necessary), with our local sixth form colleges, colleges of technology, training and apprenticeship providers, the military services and some local businesses.

Our Careers Adviser, Theresa Petzold, will also be available for advice and guidance on a drop in basis.

This event is open to Parents/Carers and students in Years 10 and 11. **We are hoping to see all of the Year 10 Parents/Carers for the Information Evening at 7.00pm with the Robert May's School Leadership Team** so it is a good chance to combine the two events.
