Dear Parent/Carer

Following our previous email regarding Flu immunisations at school, the North East Hampshire Immunisations Team have requested the attached COVID-19 vaccination letter, leaflet and consent form be sent to all parents of children in Years 7 to 11.

Consent forms should only be completed for children who will be 12 years of age or older on 6th October 2021.

The letter and accompanying leaflet provides details of the planned COVID-19 vaccination program which will take place alongside the scheduled Flu vaccinations on Wednesday 6th and Thursday 7th October.

Should you need to find your child's NHS number for the consent form please use the following link: <https://www.nhs.uk/nhs-services/online-services/find-nhs-number/>

Please print and complete **both pages** (either double-sided or stapled) of the attached form to indicate whether you consent to your child to be included in the COVID-19 vaccination program at school. Completed forms must be handed to reception by **Friday 1<sup>st</sup> October 2021**. Blank consent forms are also available from reception if required.

As per our previous communication regarding the Flu immunisations, all immunisations administered at the school require the consent of a Parent/Carer and the NHS immunisation team will not be taking consent from students.

Please note, due to the number of students that the immunisation team are expecting to vaccinate during their visit, it is not likely that all students will be vaccinated by the end of the school day on Thursday 7th October. If this is the case we will share information on additional immunisation sessions as soon as we have more details.

Kind regards
