Robert  
May's  
School

Dear Parents/Carers,

On behalf of myself and my fellow Trustees on the Robert May's School Trust Board, may I welcome you to, or back to school, for the new academic year. We hope you and your children enjoy a happy and successful year ahead.

As Trustees, our focus is on the strategic direction of the school, working with the Headteacher and her leadership team to develop the vision, ethos and development of the school to achieve the most successful outcomes possible for all students and staff at RMS.

This year, we are looking forward to supporting Mrs Mitchell, as she settles into her position as Headteacher and working collaboratively with the leadership team to deliver the sound governance required of us through law and via our monitoring roles. We will be focusing on the quality of teaching and the financial capability of the school funds to deliver great teaching for all students whatever their background or circumstances but especially those that are more challenged than others.

We will continue to explore medium to long term opportunities for the school's development too, through exploration of the Estate and Digital Strategies as well as any new opportunities, collaborations or associations we find to improve the quality of teaching and outcomes for students at RMS.

If you wish to share any feedback on the strategic direction of the school, please feel free to write to me, via the email address [clerk@rmays.com](mailto:clerk@rmays.com)

For all operational and educational concerns, you may have please contact the relevant teacher, Head of Year or Head of Department in the first instance.

Best wishes,

Anna Rigby
