

EXTRA CURRICULAR ACTIVITIES - NEW CLUBS ANNOUNCED

- **Gardening Club with Mrs Harrington and Mrs Charters**

Every Tuesday after school (**starting on the 5th October**), meeting in H4.

We will be designing and creating a garden in the school grounds, with opportunities to take part in garden creation, composting, sowing, transplanting and propagating, along with creating a wildlife and climate friendly space for us all to enjoy! An excellent opportunity for anyone interested in an environmental career or a horticulture pathway after school.

Any questions, please see Mrs Harrington or Mrs Charters
