

**TEACHER OF SCIENCE (MPR) – Permanent
For September 2018**

We are seeking to appoint an exceptional and inspiring Teacher of Science who is passionate about their subject and able to make a positive contribution to the learning experiences of our students. Applications from Newly Qualified Teachers are encouraged and a comprehensive NQT support package would be available if appropriate.

You will be joining a highly successful and forward-thinking department in a growing school, teaching across the age and attainment range at both Key Stage 3 and 4 in an environment where students are well behaved and keen to do well.

At RMS, we are looking for a teacher who:

- Has excellent subject knowledge and strong teaching skills
- Is able to build positive relationships with all learners and is committed to raising attainment of all students
- Will work collaboratively within the Science team to contribute to the success of the department
- Is willing to commit to extracurricular activities that add value to the school and local community
- Is able to respond positively and creatively to the changing expectations of the subject

In return, we can offer:

- Excellent support and a wide range of opportunities for continued professional development
- A dedicated and hardworking team who place students at the heart of everything
- Great students who are proud to be part of the school
- A well-resourced curriculum area
- The opportunity to take an active role in innovative curriculum developments
