Year 8 Summer Term Homework Tasks

During this half term you should focus on revision. You will be given directed pieces of homework by your teacher to prepare you for your homework. Below are extra ideas of how you can revise, and teachers will ask to see evidence of these throughout the term.

	<u>Speaking Exams</u>	<u>Listening and Reading Exams</u>	<u>Writing Exams</u>
Year 8 End of Year Exams will take place in the following weeks:			
w/c 15/5 = Listening Exam	You will be given very clear instructions on what to prepare for your speaking exams.	The best thing you can do to help revise for the listening and reading exams is to revise vocabulary. Your teacher will direct you to this, and you will have weekly vocab tests in the run up to the exams.	Everything you need to revise and prepare for the writing exams will be in your speaking/writing booklets.
w/c 20/5 = Role Play Speaking Exam	To help revise you could record yourself saying the phrases you have prepared.	Watch DVDs with subtitles in the target language.	Make sure that these are all up to date and that you have responded to your teacher's feedback on how to improve it.
w/c 3/6 = Writing Exam	You could also practise your phrases with someone at home, with them holding your 'script'.	Watch (age-appropriate) programmes online in the target language with English subtitles.	Translating each response to English will help with revising and learning, so use post-its for this.
w/c 3/6 = Reading Exam	Type out your phrases onto a Text-to-speech website https://www.naturalreaders.com/online/ and hear the pronunciation. You can control the speed as well, to slow it down to help practise.	Listen to target language radio programmes online (be aware that inappropriate words aren't beeped out on these)	Challenge yourself to write down phrases and sentences on the themes we have studied this year
w/c 17/6 = General Conversation Exam			
w/c 24/6 Photo task Exam

*'Please be aware that as an academy, Robert May's School does not need to follow Hampshire term-time dates. However, we know that several of our students in each year have siblings in our neighbouring community feeder schools, and so to minimise disruption we have done our best to try and match the local arrangements.*
