Ms Joanna West Robert May's School West Street Odiham Hook RG29 1NA

Dear Ms West

The money raised will go on to support Naomi House & Jacksplace and the facilities such as the hydrotherapy pool. The hydrotherapy pool is a firm favourite at Naomi House & Jacksplace. Children and young adults with even the most complex medical conditions can enjoy the water – tubes and tracheostomies don't stop them!

A splash in the pool is a great source of fun, floating weightlessly in the water allows children to find themselves in positions that may otherwise be impossible and a cuddle is so much easier too!

Once again thank you for your donation and for helping to create an environment full of fun whilst ensuring care and support is there for the good days, difficult days and last days.

Yours sincerely

Lucy Gray Regional Fundraiser
