

STUDENT PHOTOS - Thursday 14th October

Advance Warning – Individual Photos, Thursday 14th October

Tempest Photography will be taking individual photos of all students in Years 7, 9 and 11 together with any Year 8s and 10s who joined the school mid-year and haven't yet had a school photo taken.

To ensure we get the best pictures possible, please could we ask that students come to school in full school uniform (including jumpers) looking smart and tidy. These photos will be available to purchase in due course.

Family Photos: There is the opportunity for family photos to be taken on the day, **by prior arrangement**. If you have more than one child at Robert May's and would like your children photographed together please contact Jacqui Griffiths, in the School Office, **by Wednesday 13th October** on 01256 702700 or email jacqui.griffiths@rmays.com giving your children's names and tutor groups. A time slot will then be arranged for them, during one of the two break times, and we will inform your children of their time slot nearer the date.

Please note there is not sufficient time in the day for friendship groups to be taken.
